2022-06

Pre-University Course (PUC)

Rajiv Gandhi University of Knowledge Technologies (RGUKT) RK Valley
GPA: 9.81

Certifications

Foundation in Data Science and Programming – IIT MADRAS awarded foundation certificate.

SQL Basic - HackerRank Certification.

SQL Intermediate - HackerRank Certification.

Python Basic - HackerRank Certification.

Projects

1. **Vehicle Parking System:** It is a Python full stack Project that includes users and admin., Functionalities:, Admin: Can view, search, edit, delete parking lots, view summary of parking lots, delete parking spot if it is not occupied, view Registered users, view parking spots which are occupied, edit his/her profile., User: Can view

parking spot., Technologies Used: Flask(Application Backend code), Jinja2 templates & HTML (For the structure of the webpage), CSS + Bootstrap (For Styling and aesthetics), SQLite(For data storage, default development database), Flask-SQLAlchemy(for SQL data manipulation and CRUD operations)., IIT Madras has awarded S Grade with 95 Marks for this project.

2. **House Rental System:** It is a Python full stack Project that includes users and admin., Functionalities:., Admin: Can view, search, edit, delete Rental lots, view summary of Rental lots, delete Rental spot if it is not occupied, view Registered users, view Rental spots which are occupied, edit his/her profile., User: Can view booked history, summary of booking, view and search Rental lots, book Rental spot and release Rental spot., Technologies Used: Django Rest Framework(Application Backend code), React.js with custom CSS(For the modern frontend code), Chart.js (For showing analytics for user and admin), SQLite(For data storage, default development database), Django-ORM(for SQL data manipulation and CRUD operations), JWT Authentication(For Security).

Achievements

- Topper in Statistics-1, Statistics-2, Python, Computational Thinking, and English (IIT Madras - First Year), Topper in DataBase Management Systems (IIT Madras - First Year)
- Awarded Certificate of Foundation in Programming and Data Science (IIT Madras)
- Received Topper Badges for outstanding

Programming and Data Science (IT Madras)

- Received Topper Badges for outstanding academic performance
- Earned Five Star Badge in Python - Hackerrank
- Secured 6th, 9th, 16th, 20th ranks in Python, Statistics 1, Statistics 2, O&MS respectively from IT Madras
